

# ***Atascadero City Council***

## ***Staff Report – Public Works Department***

---

### **El Verano Avenue Overlay Project Award City Bid No. 2009-002**

#### **RECOMMENDATIONS:**

Council:

1. Authorize the City Manager to execute a contract with Michael Frederick Paving, Inc., in the amount of \$113,710.93 for construction of the El Verano Avenue Overlay Project; and,
2. Authorize the Public Works Director to intermittently close portions of El Verano Avenue during the construction period; and,
3. Authorize the Director of Public Works to file a Notice of Completion with the County Recorder upon satisfactory completion of the project.

#### **DISCUSSION:**

Background: The City Council has previously authorized through the budget adoption process, the use of Proposition 42 "Traffic Relief Congestion Funds" for various Minor Street Overlay projects. City staff annually evaluates the condition of all of the local roads to determine priorities for potential rehabilitation projects. The current road surface condition of El Verano Avenue warrants funding for a rehabilitation project. The El Verano Avenue Overlay Project bid documents specified minor drainage improvements, road surface repair and related work to El Verano Avenue from Delores Avenue to Vida Avenue and a portion of Vida Avenue from El Verano Avenue to Nogales Avenue.

Analysis: The El Verano Avenue Overlay Project was advertised from Tuesday, January 20, 2009, through Monday, February 23, 2009. A total of eleven (11) bids were received for this project. The bids were reviewed for accuracy and compliance with the City of Atascadero bidding requirements. Michael Frederick Paving, Inc. is the apparent, qualified low-bidder at \$113,710.93. Staff is recommending the use of

Proposition 42 “Traffic Relief Congestion Funds” for this project. Intermittent closures of portions of El Verano Avenue during the construction period will be necessary.

Conclusion: Staff recommends that the City Council authorize the City Manager to execute a contract with Michael Frederick Paving, Inc. in the amount of \$113,710.93 for construction of the El Verano Avenue Overlay Project and recommends that the Council authorize the Public Works Director to intermittently close portions of El Verano Avenue during the construction period.

**FISCAL IMPACT:**

<b>EXPENDITURES</b>	
Design	\$ 7,500
Construction	113,710
Inspection / Testing / Construction Administration @ 10%	11,370
Contingency @ 20%	22,750
Total Estimated Expenditure:	155,330

<b>REVENUE</b>	
Proposition 42 “Traffic Relief Congestion Funds”	155,330
Total Allocated Revenue:	\$ 155,330

**ALTERNATIVES:**

1. Do not award the contract and cancel the project.
2. Direct staff to redesign and re-bid the project.
