Welcome: (30 people in attendance)

Chairman Mathews led a review of the Mission Statement for Stadium Park. It was revised as follows:

"The Mission for Stadium Park is to revive and promote the site’s historic use for cultural, educational and recreational experiences while preserving its unique natural habitat."

The group reviewed goals and objectives for the Park. The goals are:

- Encourage broad use by the community and visitors.
- Preserve and protect the natural habitat
- Minimize impact on the surrounding neighborhood.
- Ensure public safety.
- Operate the park in a fiscally sound manner.
- Development should be consistent with the General Plan.
- (Pending) Designate Stadium Park as a State Historic Landmark.

Some new objectives were identified or revised:

- Develop a trail plan.
- Encourage events and activities consistent with the early historical uses of Stadium Park.
- Manage the variety of public uses to minimize the impacts on the natural environment.
- Encourage the removal of non-native species. Restore and manage the native plant community.
- "Capital improvements shall not impact the General Fund", was removed as an objective.
- Develop a feasibility study or business plan for the on-going operation of Stadium Park.
