### **Placing Sewer Service Charges on the 2008-2009 Property Tax Rolls**

#### **RECOMMENDATION:**

Council adopt the Draft Resolution at the conclusion of the Public Hearing, adopting service charges to be added to the 2008-09 Property Tax Rolls.

#### **DISCUSSION:**

The City's Municipal Code provides for the collection of sewer service charges on the general County tax bills. Charges have been collected in this manner since the County Sanitation District was dissolved in 1984. The attached resolution has been prepared to accomplish the necessary collection through the 2008-2009 property tax bills. There is no increase in the sewer service rates. A Notice of Public Hearing has been published noticing this action.

The relevant area of discussion during the public hearing is whether or not the property owner is responsible for all or any portion of the sewer service charge that is listed on Exhibit A. Any questions or concerns received during the public hearing should be referred to staff for resolution prior to submitting the charges to the County Auditor by the July 18<sup>th</sup> deadline.

#### **FISCAL IMPACT:**

The City will bill \$1,732,654.14 in sanitation service charges for Fiscal Year 2008-2009.
