Staff Report - City Manager's Office

Memorandum of Understanding for Service Employees International Union, Local 620

RECOMMENDATION:

Council approve a Memorandum of Understanding (MOU) authorizing no changes to salaries or benefits for the Service Employees International Union (SEIU) Local 620.

DISCUSSION:

The current Memorandums of Understanding for the Atascadero Police Association (APA), Service Employees International Union Local 620 (SEIU), Atascadero Professional Firefighters Local 3600 (APFA) and the Mid-Management/Professional Employees Association (MMPEA) expire on June 30, 2010. New MOUs have now been approved for all employee groups except SEIU. Negotiations with SEIU have been completed and the new MOU between the City and SEIU for a one-year term is attached (Attachment A). THE MOU calls for no changes to salary or benefits and is consistent with the approved MOUs with the other employee groups.

FISCAL IMPACT:

THE MOUs have no changes and therefore no additional impact to the budget.
