Weed Abatement – Hearing of Objections

RECOMMENDATIONS:

Council:

1. Hear all objections to the proposed removal of vegetative growth and/or refuse and allow or overrule any objections; and,
2. Authorize the Fire Chief to proceed and perform the work of abatement.

DISCUSSION:

As part of the abatement process, the City Council is required to hear objections to the proposed removal of vegetative growth and/or refuse. This hearing allows any affected property owner to object to the proposed abatement of hazards on their property.

FISCAL IMPACT:

None. Costs involved in administering this program are recovered through the 150% administrative fee charged to parcels abated by the City Contractor.

ALTERNATIVES:

No alternative is recommended.
