Atascadero City Council
Agenda Report – Public Works Department

Temporary Road Closure
Waterfest 2008

RECOMMENDATION:

Council approve a request by the Public Works Department for the closure of Palma Avenue between East Mall and West Mall, on Saturday, May 3, 2008, from 7:00 a.m. to 8:00 p.m. for Waterfest 2008.

DISCUSSION:

Waterfest is a Countywide water resource education and outreach program sponsored by the SLO County Partners for Water Quality, Central Coast Salmon Enhancement, The Land Conservancy, and the CREEC Network. The Celebration includes Festival games, activities and live music.

FISCAL IMPACT:

Because this is a City-sponsored event, staff recommends waiving the $190.00 road closure fee.

Dear Fellow Water Steward,

WaterFest 2008 is coming soon! Please join us as an exhibitor at WaterFest 2008. WaterFest provides an opportunity for your organization to participate in a regional (countywide) water resource education and outreach effort. WaterFest is a “learn by playing” family-fun event where each exhibitor provides educational activities that celebrate water quality protection and water resource conservation.
