Ms. Rachelle Rickard, Director of Administrative Services  
City of Atascadero Successor Agency  
6907 El Camino Real  
Atascadero, CA 93422  

Dear Ms. Rickard:

Subject: Recognized Obligation Payment Schedule  

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Atascadero Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 13-14A) to the California Department of Finance (Finance) on March 13, 2013 for the period of July through December 2013. Finance has completed its review of your ROPS 13-14A, which may have included obtaining clarification for various items.

Based on our review, we are approving all of the items listed on your ROPS 13-14A at this time.

It is our understanding that items listed in ROPS 13-14A for the Historic City Hall Earthquake Repair and Rehabilitation Project are to be funded with bond proceeds and “Other”. Through conversations with Agency staff, the “Other” funding sources represent various grants obtained and awarded to the City. Since these are City funds, it is not necessary to request the use of these “Other” funding sources through the ROPS process. Pursuant to HSC section 34191.4 (c), your request to use bond funds for these obligations is allowable since the Agency has received a Finding of Completion from Finance. This statement assumes the bond proceeds were derived from bonds issued on or before December 31, 2010 and that the use of these proceeds is consistent with the purposes in which the bonds were sold.

The Agency’s maximum approved Redevelopment Property Tax Trust Fund (RPTTF) distribution for the reporting period is $773,468 as summarized below:

Pursuant to HSC Section 34186 (a), successor agencies were required to report on the ROPS 13-14A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2012 period. The amount of RPTTF approved in the above table includes the prior period adjustment that was self-reported by the Agency. HSC Section 34186 (a) also specifies that the prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Any proposed CAC adjustments were not received in time for inclusion in this letter. Therefore, the amount of RPTTF approved in the above table includes only the prior period adjustment that was self-reported by the Agency.

Please refer to the ROPS 13-14A schedule that was used to calculate the approved RPTTF amount:

This is Finance’s final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2013. Finance’s determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC 34177.5 (i). Finance’s review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to 34171 (d), HSC section 34191.4 (c)(2)(B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
