Atascadero Police Department Mission Statement

“The Members of the Atascadero Police Department are dedicated to professional service. Utilizing ethical and progressive policing practices, we continually strive to promote an exceptional quality of life for our citizens and visitors through active partnerships with the community.”

Atascadero Police Department Vision Statement

“The Atascadero Police Department is a progressive police agency dedicated to excellence through quality customer service. We shall ensure quality service by way of accountability, community partnerships and collaboration with other city entities. We will assist our employees with personal and career growth, placing constant emphasis on innovation and improvement. We strive to maintain the highest quality of professionalism for our employees through mentoring, training and education.”

The City of Atascadero is a wonderful place to live, work and take advantage of recreational activities. The Atascadero Police Department strives to serve the entire community every day.

Though it is true that we live in a great place, making your home on the streets is always going to be a very dangerous prospect. It is also true that many people are unaware of the many wonderful resources available within the City and surrounding areas of San Luis Obispo County that can provide assistance to obtain shelter, nutrition and many other important services.

This resource pamphlet is being provided to you so that you are aware of these valuable services. If help is needed, individuals and families are urged to make the important first step of taking advantage of the information contained in this resource guide to obtain your health and welfare needs.

PLEASE REMEMBER

Camping is prohibited in the City of Atascadero.
