Holiday Magic at Charles Paddock Zoo

December 21st, 2019 • 10am to 1pm

Celebrate the season with your friends at the Zoo!

The animals will be receiving holiday gifts that have been crafted with care by the zookeepers and some very special elves. Our sponsors have also made it possible to buy exclusively made toys and enrichment items for the animals. So, watch the animals rip, claw and tear open their presents. Some of them may even eat their gifts! Spend the day with us and do some holiday shopping in the Gift Shop, make a craft to take home and check in to see if Santa was able to stop in for an early visit!

Tis the season at your Zoo!

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly $1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.” The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway's purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a $100 donation to the Memorial Foundation. Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org. For more information call 805-461-0639.

Dog Obedience Instructor: Karen Clanin, 466-3775 or kclanin@sbcglobal.net
Ages: 18+ yrs.
Karen Clanin has been instructing classes at all levels since 1969 and started instructing for the City of Atascadero in 1979. The Beginning Dog Obedience class will cover sit-stand-down, walking on a leash with out pulling, come when called, sit & down stay. Karen’s methods are mostly positive reinforcement, making the learning fun for the owner as well as the dog. For the 1st class, bring your dog on the collar you have and the leash you have (no harnesses please). Proper equipment will be discussed the first class. Also, bring a smelly, tasty, easy to swallow training treat. Karen suggests keeping the treats in a fanny pack so they are easy to get to. A copy of your dog’s immunization record, available from your vet, must be brought to the first class for Karen to keep. Class is scheduled for 1 hour, but may run over slightly so please allow the time. Children under 13 must be accompanied by an adult as they may require assistance. This class is not for aggressive dogs, if you have a question about this contact Karen and she may meet you privately for evaluation. Please no wolf or wolf-hybrids in class.

NOTE: Class will be held at Karen’s indoor facility. You must contact Karen prior to the 1st class for directions at kclanin@sbcglobal.net

**Rhythm Kids by Music Together®**
Instructor: Little Bird Music Together, Janna Matteoli, 805-215-9472
*Ages: 5-8 yrs.*

Our Rhythm Kids classes for 5 through 8 years olds are just the thing to get your child moving and making music with new friends. Designed specifically for early elementary students, these active classes tap into how children this age are wired to learn, with djembe drumming, music games, animal rhythm stories and lots of stomping-flying-climbing fun. In each weekly class, your child will drum, sing, move and play to rhythms inspired by musical traditions around the world, from West African Gahu, to Japanese Taiko, to Brazilian Samba, to name a few. As they learn to think and create like a musician, they’ll also gain valuable skills they’ll take to the elementary school classroom (and beyond!): confidence, focus, leadership, cognitive flexibility and more. With Rhythm Kids, your child will happily put down the iPad and show off what they’ve learned! $50 material fee due to instructor at the 1st class includes a CD and exclusive access to the Family Music Zone on the Music Together® website and Music Together’s “Hello Everybody” app to stream/download the music in the current Rhythm Kids song collection, along with a songbook and exclusive videos your child can drum along to.
