Atascadero
Historic City Hall
Project

Summary of Progress
April 2011

The following is a summary of construction progress for the Historic City Hall Project during the month of April 2011:

• ACH-8 Historic Repair & Restoration apparent low bidder is Santa Maria contractor Diani Building Corp. The low bid was approximately $3 Million under the current estimated budget.

• ACH-2 Penthouse Demolition contractor mobilized and roof level demolition activities begin.

• Loose brick on the roof level was removed and stored for future re-installation. Historic penthouse surplus equipment was removed and stored prior to demolition of penthouses.

• The apparent low bidders announced for ACH-16 Elevator is Republic Elevator and ACH-17 Fire Protection is Alpha Fire Protection.

• A pre-construction meeting was held with Wysong Construction in preparation to begin the stabilization of the building foundations.
