Atascadero Historic City Hall Project

Summary of Progress December 2010

The following is a summary of construction progress for the Historic City Hall Project during the month of December 2010:

- Completed Basement Electrical Demolition
- Completed temporary electrical and lighting for construction from 1st thru 4th floors, including City Hall building exterior and site.
- Contained and abated all asbestos floor tile, mastic, and drywall at the basement level.
- Commenced basement concrete wall and floor slab demolition.
- Completed the removal of five (5) of the seven (7) large trees around the Historic City Hall Building.
- Trimmed and made safe the two remaining (2) Cedar Trees.
- Bids were received and reviewed for Bid Package (BP-ACH) #2, Penthouse Demolition. Contractor award of BP-ACH#2 is pending City Council approval in February 2011.
- Upcoming activities include existing foundation exploratory excavations, and exterior ADA ramp removal at the exterior of City Hall Building (Lewis Ave side).
