Summer Concert Series

AUGUST 26TH • 6:30 PM
THE CINDERS BLUES BAND

The Cinders Blues Band plays real blues, music for grown-ups. And you can dance to it. Fronted by vocalist Brett Hoover, The Cinders play a wide variety of blues styles from Chicago to San Francisco from the 50s to the present, all with a serious dedication to the core of the music. Guitarist Dorian Michael, bassist Ken Hustad and drummer Dean Giles have been playing this music together for a couple decades now. Improvisation, surprise and ensemble interplay are the point of a good blues band and The Cinders bring that to the stage whenever they play.

Winter Wonderland

DECEMBER 8TH • 5:00-9 PM

OVER 60 TONS OF SNOW! Winter Wonderland is one of the Central Coast's largest Holiday Events and a snow-driven evening of fun you don't want to miss!

Atascadero's Sunken Gardens and the

entire downtown will be transformed into a magical snowy paradise! 60 Tons of snow will create a massive snow slide (brought to you by Kiwanis of Atascadero), and two large snow pile areas for the kids!

This year's snow-themed event includes bungee jumps, obstacle courses, community entertainment, Santa and Mrs. Claus, and more! If you are looking to check off a couple

of items from your holiday shopping list, this event also offers shopping from our downtown merchants plus over 50 craft and food vendors. The event is free to enjoy, but don't forget to bring along your wallet for holiday shopping, great food, and all of the extra fun that abounds! Be sure to invite your family and friends to this evening of holiday cheer! Call (805) 470-3360 for more information.

Holiday Magic at the Charles Paddock Zoo

“Faces of Freedom” VETERANS MEMORIAL

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501-C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly \$1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.”

The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway’s purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a \$150 donation to the Memorial Foundation.

Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org For more information call (805) 461-3360.

Certification & Training

Dog Obedience

Instructor: Karen Clanin (805) 466-3775 or kclanin@sbcglobal.net

Karen Clanin has been instructing classes at all levels since 1969 and started instructing for the City of Atascadero in 1979. The Beginning Dog Obedience class will cover sit-stand-down, walking on a leash without pulling, come when called, sit & down stay. Karen’s methods are mostly positive reinforcement, making the learning fun for the owner as well as the dog.

For the 1st class, bring your dog on the collar you have and the leash you have (no harnesses please). Proper equipment will be discussed the first class. Also, bring a smelly, tasty, easy to swallow training treat. Karen suggests keeping the treats in a fanny pack so they are easy to get to.

A copy of your dog’s immunization record, available from your vet, must be brought to the first class for Karen to keep. Class is scheduled for 1 hour, but may run over slightly so please allow the time. This class is not for aggressive dogs, if you have a question about this contact Karen and she may meet you privately for evaluation. Please no wolf or wolf-hybrids in class.

NOTE: Class will be held at Karen’s facility. You must contact Karen prior to the 1st class for directions at kclanin@sbcglobal.net

Virtual Classes

Scratch Ninja: Units 1, 2 & 3

AGES: 7-10

Instructor: Create & Learn

This class uses Scratch, a coding platform developed by MIT, to teach fundamental coding concepts. We start from the very basics, so no prior coding experience is needed. Students will learn core coding concepts such as sequence, loop, and conditional. We will also use a wide range of Scratch specific capabilities including motion, sensing, control and more. Your child will have a lot of fun as we build a new project in every session ranging from animation, games, to storytelling. Students not only learn coding, but also start creating from day one!

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser and high internet connectivity.

AGES: 8-11

Minecraft Modding Quest: Units 1, 2 & 3

Instructor: Create & Learn

Let the fun begin! We start from the very basics of coding concepts in this fun-filled class. Students solve puzzles by coding an agent in the Minecraft game to move, take actions, and react to the environment. They are also given the opportunity to build open-ended puzzles on their own. We will cover the core coding concepts including sequence, conditional, loop, and more. All the puzzles and projects are designed by our curriculum experts exclusively for Create & Learn!

This class starts from the basics, however it covers those pretty fast! For students who are new to coding, we recommend taking Scratch Ninja 1 & 2 first before taking this class.

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser and Windows or Mac Computer. Chromebook is very slow for running Minecraft. iPad is not supported.

Modern Website Design with WIX: Units 1 & 2

Instructor: Create & Learn

AGES: 10-17

Develop beautiful websites using WIX for middle and high schoolers!

This class covers a wide range of topics in Web Design. The class will start with the fundamentals of web design and core features of WIX. Some examples are: The general flow of creating a website with WIX so you can get a site built quickly. How to use and customize templates to make the design better. Edit and customize images and other key design components of the sites. General website structure and navigation to design websites with multiple pages. Add more complex components to the site, such as maps. Allow site visitors to submit information to site owners, and a lot more. In unit 2, students will learn to build more powerful websites and also make them look more appealing. Along with other design elements including enabling payment options for buying tickets or simply selling products. Combined with previous learning, students will build several websites that will prepare them to make professional websites that are suitable for many small businesses and community organizations.

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser and high internet connectivity.

Baby Ballers (Ages: 2.5-3.5 yrs)

Introduce your child to the best sport in the Planet. With your participation and encouragement, the baby baller will learn the fundamental steps necessary to understand the sport of Basketball. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized basketball hoops, providing an unforgettable experience like no other.

Level 1 (Ages: 4 - 5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamental concepts of basketball. The program focuses on technique through the use of activities that subsequently help build on each other, helping the children to gradually increase their ability to do the basic skill to help them play the sport of basketball.

Level 2 (Ages: 5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (Ages: 8 - 11 yrs)

The level 3 course is aimed to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on agility, drills become a bit more advanced and teach children how to perform under pressure of the clock and their opponents. Drills are focused on more complex activities that include fast breaks, coordinated offensive plays, and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting.

Baby Kickers (Ages: 2-3.5 yrs)

Introduce your child to the best sport on the planet! With your participation and encouragement, the baby kickers will learn the fundamental steps necessary to understand the sport of soccer. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized soccer goals, providing an unforgettable experience like no other. Jersey included.

Level 1 (Ages: 4 - 5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamentals of soccer. The program focuses on technique using activities that subsequently help build onto each other, helping children to gradually increase their ability to learn basic soccer skills by also helping to establish a fun, nurturing atmosphere for the players.

Level 2 (Ages: 5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (8-11 yrs)

The Level 3 course is aimed to improve large motor skills, spatial awareness, and team work. The instructor will focus on fitness, agility, drills become a bit more advanced and teach children how to perform under pressure. Drills are focused on more complex activities that include fast breaks and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting on goal.

Registration Information

Fees

- Of the two fees quoted for each activity (i.e., \$31 res, \$34 non-res), the first is the rate for residents within the city limits of Atascadero (93422 & 93423), and the second is the rate for non-residents.
- For classes requiring material fees, payment is due to the instructor at the first class of each session.

Refund Policy

- Activity registration fees will be refunded in full if the class or activity is cancelled due to the lack of minimum enrollment requirement.
- A refund will be granted if our office is notified more than four days prior to class starting date. A \$10.00 administrative fee will be charged.
- To cancel a reservation or change the date of a facility rental, a minimum of a twenty-four hour working day notice, in writing, must be given. Facility rentals, which require a reservation deposit, may be transferred to another date but are not refundable.
- Activity registration fees are non-refundable after the class or activity has started.
- Park BBQ reservation fees will be refunded or transferred to another date only in the event of inclement weather, for a \$15 fee.
- Security deposits are not affected by this policy and will be refunded in full if the facility is returned to satisfactory condition.

Registration Policies

- No registrations will be taken at class! The City of Atascadero must handle all registrations by mail, online or in person prior to the beginning of class.
- All participants must sign a participant waiver of liability.
