Adult Basketball League Spring 2026 Season!

AGES: 16 & UP

Grab your sneakers, rally your squad, and get ready to run the court! Whether you're here to drain threes or just break a sweat and have some fun, this league has a spot for you. The City of Atascadero's Spring Adult Basketball League will run on Sundays at the Colony Park Community Center Gym from March-June with some holidays off. There will be 7 regular season games and at least 1 game in the end of season tournament. Registration will open in January.

DATES:

TBD. Please stay tuned for our Spring Rec Guide, where all dates will be finalized.

Adult Kickball League Spring 2026 Season!

AGES: 16 & UP

Get ready to re-live recess!

The Atascadero Adult Kickball League is returning to action in Spring 2026, and it's bringing big kicks, bigger laughs, and all the nostalgia! The league will take place Wednesday evenings from April-May at the Paloma Creek Softball Fields. There will be 7 regular season games and 1 final game based on seeding. Registration will open in January.

DATES:

TBD. Please stay tuned for our Spring Rec Guide, where all dates will be finalized.

AGES: 18 & UP

Weekly Drop-In Adult Basketball

M/W/F - 12-2 pm

ALL AGES

Monday Drop-in Gym Nights!

Extended through September 29!

One court will be setup for Volleyball & one short court for Basketball.

(All ages) Mon. 5-7pm \$2 fee, every Monday except for on major holidays.

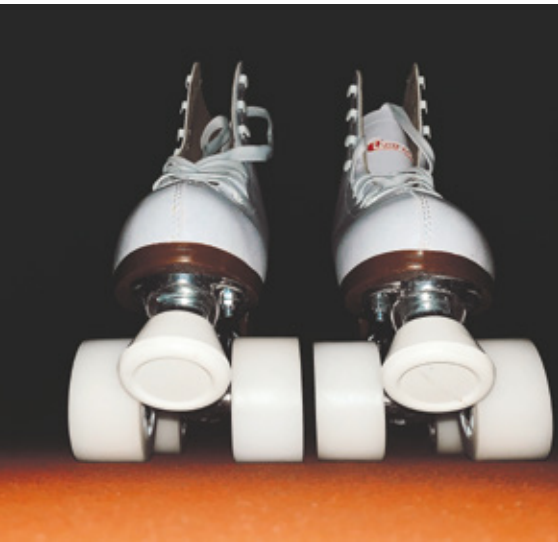

Adult Sports

AGES: 18 & UP

Doomsday Skate School: Adult Roller Skate Skills & Safety

This is a skate rink vibe class just for adults 18+ to practice skating or to learn. Adult classes offer rink inspired music, fun fitness, basic skating skills for those who need them, as well as fun beginner to intermediate dance skill builders. If you do not need lessons, but just need a place to roll, you can also use this space for practice. Our adult classes are meant to encourage body appreciation, fun fitness options, community building and networking for adults.

5723.864	F	9/5-9/26	6:00-7:30pm	\$102/\$112	CPCC- Gym
5723.871	F	10/3-10/24	6:00-7:30pm	\$102/\$112	CPCC- Gym
5723.872	F	11/7-11/21	6:00-7:30pm	\$77/\$84.50	CPCC-Gym

Doomsday Skate School: Adult Roller Fitness & Flow

AGES: 18 & UP

Roller Fit & Flow skaters roll to a low impact cardio, roller dance and strength training routine in a no pressure setting. Using styles and moves from speed skating, rhythm, street dancing, artistic roller dancing with upbeat music and high energy vibes. All levels are welcome to attend, but there will not be a formal skills lesson during this class. We will work with everyone to ensure fun at all levels. It is suggested that you take our Basic Skills and Safety class first before joining this class.

***Sorry, no blades with back brakes allowed indoors- brakes must be removed. There will be a skate check at the door to protect floors.*

**Please note that skates must be properly maintained to skate at this facility. All skates will be inspected at the door before each class for: exposed metal bolts on trucks, toe stop stems, bent or broken lace eyelets, blade buckle clips will be taped. NO black rubber stops, or jam plugs allowed under any circumstances. Gear will also be inspected for rocks and/or dirt. Thank you for your cooperation in helping protect our floor. Email us for skate, gear or wheel questions at doomsdayskate@gmail.com *Rental skate sizes w5-w15 available upon Sk8 Reservation on doomsdayskate.com*

EIN: 99-2641265

Girls on the Run is for EVERY girl.

Girls on the Run is an afterschool program like no other!

Twice per week for 8 weeks, girls will have fun, make friends, increase their physical activity levels and learn important life skills. Trained and caring coaches lead 3rd-5th grade girls through interactive lessons and movement activities. The season ends with a celebratory 5K event on November 15th.

Scan here to register your girl or learn more!

Why it matters
It's fun. It's effective.

Girls who were the least active at the start of the program increased their physical activity by more than 40%*

97% of participants said they learned critical skills to manage emotions, resolve conflict, help others or make intentional decisions*

Participating in Girls on the Run transforms girls' lives by helping them increase their self-confidence, develop healthy relationships, and feel good about themselves, inside and out.

Youth Evolution Soccer Camp

Instructor: Isaias Rosas (805) 202-8320

Using our progressive curriculum and focusing on the whole player, this soccer camp will teach your child the skills they need both on and off the field. Our coaches will focus on respect, teamwork, and responsibility.

We will start each day with a “skill of the day” and progress to drills and games, making this an unforgettable camp experience for your young athlete. After a week of passing, shooting, and dribbling, your player will enjoy improved confidence in their soccer skills.

Youth Evolution Basketball Camp

AGES: 6-11 YRS

Instructor: Isaias Rosas (805) 202-8320

Using our progressive curriculum and focusing on the whole player, this 3 day basketball camp will teach your child the skills they need both on and off the court. Our coaches will focus on respect, teamwork, and responsibility. We will start each day with a “skill of the day” and progress to drills and games, making this an unforgettable camp experience for your young athlete. After working on their passing, shooting, and dribbling, your player will enjoy improved confidence in their basketball skills.

Central Coast Zoo

Zoo Tails

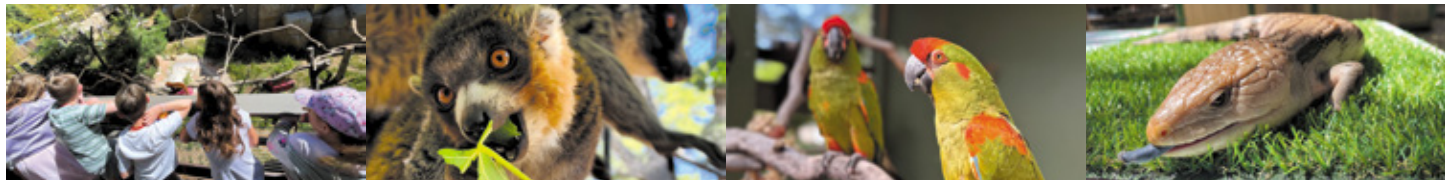

Ages: 1 – 4

(805) 470-3172 zooeducation@atascadero.org

Join us for a storybook adventure at the Zoo! Listen and learn as we bring animal-themed stories to life while we explore the world around us. You and your child will meet an animal up close and enjoy crafts and games. The stories and activities will be geared for ages 1-4 years, but families are welcome.

All children must be accompanied by an adult and pre-registration is required. Space is limited! **Registration includes zoo admission for 1 child and 2 adults

Traveling Zoofari

Our education specialists bring the zoo to a school, club, senior center, library or other public venue. Zoo ambassador animals and interesting artifacts bring learning to life. Each program is tailored to the age of the audience and programs can be custom designed to fit the curriculum.

Email zooeducation@atascadero.org for schedule availability and pricing.

Have a Wild Party at the Zoo

Celebrate your special day at the zoo! The party package includes rental of the Zoo Garden Event Center for three hours, tables, chairs and an educational animal presentation. Email zooeducation@atascadero.org for schedule availability and pricing.

Zoo Presentations

Bring your group to the zoo for a special presentation to learn about and meet some incredible ambassador animals.

Email zooeducation@atascadero.org for schedule availability and pricing.

Dance

Ballroom Dance for Fun! AGES: 9 & UP

Instructors: Dan & Sharon Davis, (805)-471-8168

Join the fun of ballroom dancing! Improve your self-confidence, memory, balance and many other physical benefits, and enjoy the fun dancing can provide. Begin the New Year with a swing in your step. We will cover the basics and spins & turns in Swing & Foxtrot in Session I. For Session II we will introduce Waltz while continuing with more Swing & Foxtrot. In Session III, we'll move to a Latin beat with Tango & Salsa. Session IV, we will continue the Latin rhythm with instruction in Rumba and Cha-Cha. Session V gets you ready for summer events: weddings, parties, cruises, and concerts in the park with more Swing, Waltz, Latin dances and the introduction to Club Foxtrot. All sessions include beginning, intermediate, & advanced instruction to accommodate the varying abilities of the class. Students may enroll in all five or choose sessions separately. For more information, please call the instructors. Partner required. \$67 per couple.

AGES: 5-7 YRS Ballet & Tap Combo I

Instructor: Mary Smith, picksmith@sbcglobal.net

Come join in the fun of learning both ballet & tap dance. This class will focus on basic technique, center floor practice, barre work, and an age-appropriate choreographed dance. Students will have an opportunity to show what they have learned at the end of the session. A parent/guardian is asked to sign-in their student each class and remain on site in case of an emergency. Appropriate attire includes leotards & tights or exercise clothes. Ballet & Tap shoes are recommended, but socks for ballet and a hard sole shoe (not rubber) for tap can work too. Any questions, please email instructor Mary Smith. Recital December 20th. (Subject to change)

The City of Atascadero has the only Central Coast Indoor Skate/Scooter Park Facility, located at 5493 Traffic Way. The park is staffed and open to the public. The inside 8,000 sq.ft. wood construction consists of a 4 ft. bowl with a spine, multi-tiered staging over the stairs and banks, double mini ramp with spine and a pyramid area. The kids can hang out in the lounge area and there are concessions for sale. The outdoor park consists of Skatewave modular equipment: quarter pipes, a pyramid, grind boxes and ledges, banks and benches. All participants must have a signed waiver form prior to park entry and certified helmets with straps are required. Recommended to bring your own helmet or you can rent a helmet for \$2, a skateboard for \$3 or a scooter for \$5. No folding scooters.

A-Town Park is available for supervised private parties Fridays, 6:00-8:00pm, Saturdays, 10am-12pm or 6:00-8:00pm & Sundays, 10am-12pm, for \$150.

“Faces of Freedom” VETERANS MEMORIAL

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501-C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly \$1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.”

The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway’s purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a \$150 donation to the Memorial Foundation.

Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org For more information call (805) 470-3360.

ZOO GARDEN EVENT CENTER

Nestled next to the Central Coast Zoo (Formerly Charles Paddock Zoo), in the beautiful Atascadero Lake Park, the Zoo Garden Event Center provides the perfect setting for a variety of events. Whatever the special occasion, from a wedding or rehearsal dinner to a monthly meeting or special birthday celebration, this event location provides a fantastic option!

ZOO GARDEN RENTAL INFORMATION

Virtual Classes

AGES: 15 & UP

Virtual Driver’s Ed

Instructor: Instructor: Erika Vieryra (510) 886-1016 or info@bayareadriving.com

This is a virtual Driver’s Education with a live instructor. Students will enjoy a series of Driver’s Education lectures including understanding the responsibilities of having a driver’s license, learning the rules of the road and accident-avoidance procedures. Independent assignments will also be completed during the week. Course also includes practice questions, defensive driving movies and written test prep. Upon successful completion, students will receive a certificate of completion.

Minecraft Modding Quest: Units 1, 2 & 3

AGES: 8-11

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your child enjoy Minecraft? Minecraft: Education Edition is built on top of the regular Minecraft game and includes additional features to teach kids coding and other STEM skills. In these carefully designed Minecraft modding classes, we cover a broad set of coding concepts. We start by introducing kids to the very basic concept of stacking commands together to make computers accomplish tasks- the fundamentals of coding. Kids will control agents to solve puzzles while interacting with different in-game characters. We will then move on to learn core coding concepts such as loop, operations, conditional, events, functions, variables, and more. As students become increasingly proficient in these skills, they will progress to constructing more intricate structures and even coding mini games. Our enjoyable online modding courses employ an inquiry-based approach, providing your children with ample opportunities not only to learn but also to create- an enriching idea experience!!

Technical Requirements: You need a Windows or Mac Computer to take this class. Chromebook is very slow for running Minecraft. iPad is not supported.

Virtual Classes

AI Explorers

AGES: 9-12

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Discover how AI fuels self-driving cars, face recognition, and other advanced technologies. From R2-D2 in Star Wars to Transformers, artificial intelligence (AI) and robots have fascinated children for generations. Now AI is more pervasive than ever and is closer than ever to impacting many parts of our lives. With the latest developments in technology, AI and machine learning can now beat the highest-ranking Go players, compose music, read medical images, and so much more. Join our small group sessions to explore the amazing world of artificial intelligence. In this fascinating series of AI classes for kids, we introduce students to the latest AI technologies and their applications in many areas. here are some highlights of the series: *Hands on experience with cutting-edge artificial intelligence and machine learning products* Learn how AI works and real-world applications* Understand what AI can and cannot do, and why* Build your own AI system* Students will also get plenty of opportunities to apply their creativity and critical thinking skill. Save your spot now and have fun with AI!

AGES: 6-9

NASA STEM Club

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

From Mars and aliens to galaxies and rockets, space fascinates many kids and adults alike, and this is the source of powerful imagination. In this series of classes, your kids will learn a wide range of topics related to space science, NASA, and practice other STEM skills. All classes are project based to encourage curiosity and develop problem solving skills. In each session, we will learn cool new things about space and science, then build small projects and play games sometimes to make it fun and strengthen the learning.

3650.874 SA 1/17-3/7 9:30-10:25am \$160/\$175.80

Canva for Kids: Design, Video Creation, Ai Art- Units 1,2

AGES: 9-13

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your child enjoy art or perhaps want to create beautiful digital cards, posters, slides or videos for their school projects? Now they can make all these fascinating projects with Canva- a powerful and trendy graphic design platform with a simple interface. Furthermore, we will introduce them to the basics of the AI art for photo editing, turning their imagination into images, videos, and so much more. Unit 1 of this course explores examples of great graphic design and video storytelling. Your child will learn to use the intuitive drag-and-drop tool in Canva to create their own designs and share their creations with friends or teachers easily online. You will be amazed to see how creative your child can be with this fun digital design too! Unit 2 incorporates AI elements to create even more beautiful designs. We will use state of the art kids friendly AI art tools to create imaginary places, cool game characters, concert or sport posters, cinematic movie clips, cars of the future, story book illustrations- anything your child can dream up, they can create!.

3695.874 TU 1/20-3/10 4:00-4:55pm \$160/\$175.80

Technical Requirements for classes on this page: Students must have a laptop or desktop device with Zoom, a Chrome browser, and high internet connectivity.

Yoga & Fitness

ALL AGES

Yoga Wisdom

Instructor: Karen Burish Wyke, (805) 468-9349

Yoga Wisdom offers the healing benefits of yoga in an open and relaxed environment. Karen's Vinyasa Flow series encourages flexibility, strengthening, breathing and balance. Her gentle approach is accessible for all ages and abilities. She modifies positions for students needing a gentler experience and offers challenges for students seeking a little more. Karen earned her teaching certificate from White Lotus in Santa Barbara, CA. Her students describe her class as non-threatening, invigorating and relaxing. See if Karen's gentle approach to Yoga is a right fit for you. Your body will thank you.

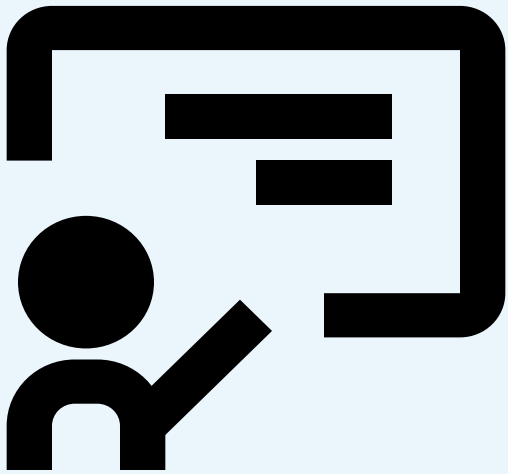

The Pavilion on the Lake makes a beautiful yoga studio. Classes are on-going. Drop-in is \$8 per class, or purchase classes in advance at a discounted rate

Youth Sports

AGES: 3-5 YRS Start Smart Sports!

This session of Start Smart will be led by Coach Jody! The Start Smart Sports Development Program is a proven instructional program that prepares children (ages 3-5) for the world of organized sports without the threat of competition or the fear of getting hurt. Parents work together with their children in a supportive environment to learn all of the basic skills...throwing, catching, kicking, and batting. Held once a week for 6 weeks, and each week the exercises become increasingly more difficult as the class progresses and children show improvement. Sports reviewed will be, baseball/softball, basketball, soccer and overall movement. Help prepare your little athlete for their participation in sports leagues!

Parents/family members MUST attend each session

Junior Soccer (Ages: 3.5 - 4 yrs)

With your participation and encouragement, the junior soccer class will teach the fundamentals steps necessary to understand the sport of soccer. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized soccer goals, providing an unforgettable experience like no other. With a parent participating by their side, kids will have fun learning basic soccer skills like chasing, running, kicking and listening.

Level 1 (Ages: 4.5 - 5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamentals of soccer. The program focuses on technique using activities that subsequently help build onto each other, helping children to gradually increase their ability to learn basic soccer skills by also helping to establish a fun, nurturing atmosphere for the players.

Level 2 (Ages: 5.5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (8 - 11 yrs)

The Level 3 course aims to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on fitness, agility, drills become a bit more advanced and teach children how to perform under pressure. Drills are focused on more complex activities that include fast breaks and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting on goal.

Registration Information

Fees

- Of the two fees quoted for each activity (i.e., \$31 res, \$34 non-res), the first is the rate for residents within the city limits of Atascadero (93422 & 93423), and the second is the rate for non-residents.
- For classes requiring material fees, payment is due to the instructor at the first class of each session.

Refund Policy

- Activity registration fees will be refunded in full if the class or activity is cancelled due to the lack of minimum enrollment requirement.
- A refund will be granted if our office is notified more than four days prior to class starting date. A \$10.00 administrative fee will be charged.
- To cancel a reservation or change the date of a facility rental, a minimum of a twenty-four hour working day notice, in writing, must be given. Facility rentals, which require a reservation deposit, may be transferred to another date but are not refundable.
- Activity registration fees are non-refundable after the class or activity has started.
- Park BBQ reservation fees will be refunded or transferred to another date only in the event of inclement weather, for a \$15 fee.
- Security deposits are not affected by this policy and will be refunded in full if the facility is returned to satisfactory condition.

Registration Policies

- No registrations will be taken at class! The City of Atascadero must handle all registrations by mail, online or in person prior to the beginning of class.
- All participants must sign a participant waiver of liability.

Classes at the Colony Park Community Center
