Doomsday Skate School: Adult Roller Skate Intermediate Skills

AGES: 18 & UP

Participants will practice and play while learning some intermediate skills of roller skate. Emphasis at this level is on proper technique in intermediate stops, turning, edging control, intro to jumping and backwards skating. Applied balance, strength, and coordination techniques for a more efficient roll. Both blades and quad skates are permitted.

REQUIRED: *helmet, wrist/elbow/knee pads and skates.*
Rentals available at doomsdayskate.com.

Doomsday Skate School: Adult Roller Skate Advanced Skills

Roller dance and music are a part of instruction as participants are encouraged to practice and move at faster speeds. In addition to improving your skating technique, I am dedicated to building your skating confidence through technique and knowledge in advanced skating skills such as stops, turns, edge control, incline control, jumps, and backward skating. Both blades and quad skates are permitted.

REQUIRED: *helmet, wrist/elbow/knee pads and skates.*
Rentals available at doomsdayskate.com.

Doomsday Skate School: Adult Roller Fitness & Flow

AGES: 18 & UP

Skaters roll indoors to a strength & cardio and roller dance inspired fitness routine in a no pressure setting. Using styles and moves from speed skating, rhythm, street dance, artistic roller dancing with upbeat music and high energy vibes. All levels are welcome to join, and the class is flexible to most levels of skaters. **Please bring a yoga mat, water and a towel to each session.*

We strongly recommend that you take our Basic Skills & Safety class first before joining this session if you do not feel stable getting up and down from the ground while on skates and in a workout setting.

*** Sorry, no blades with back brakes allowed indoors- brakes must be removed. There will be a skate check at the door to protect floors. *Please note that skates must be properly maintained to skate at this facility. All skates will be inspected at the door before each class for: exposed metal bolts on trucks, toe stop stems, bent or broken lace eyelets, blade buckle clips will be taped. NO black rubber stops, or jam plugs allowed under any circumstances. Gear will also be inspected for rocks and/or dirt. Thank you for your cooperation in helping to protect our indoor floor.*

Email us for skate, gear or wheel questions at doomsdayskate@gmail.com *Rental skate sizes w5-w15 available upon Sk8 Reservation on doomsdayskate.com

Community Emergency Response Team (C.E.R.T.) Training Course

Instructor: John Spooner atascadero@slocountycert.org

During a large-scale emergency or disaster, first responders may not be able to reach everyone right away. A disaster could strike when parents are at work and children are at school or involved in social activities. Would your family members know what to do? Learn how to prepare for, respond to, and recover from local disasters. This class is intended for family members, age 15 and older. Protect your family, assist your neighbors, and help your community before, during, and after a disaster. Price is per family.

Ballroom Dance for Fun

AGES: 9 & UP

Instructors: Dan & Sharon Davis, (805)-471-8168

Join the fun of ballroom dancing! Improve your self-confidence, memory, balance, and many other physical benefits, and enjoy the fun dancing can provide. Begin the New Year with a swing in your step. Session 1, featured in the Fall Activity guide covered the basics of Swing and Foxtrot. For Session II, starting in February, we will introduce Waltz while continuing with more Swing & Foxtrot. In Session III, we'll move to a Latin beat with Tango & Salsa. Session IV, we will continue the Latin rhythm with instruction in Rumba & Cha-Cha. All sessions include beginning, intermediate, & advanced instruction to accommodate the varying abilities of the class. Students may enroll in all three or choose sessions separately. For more information, please call the instructors. Partner required. Price is per couple.

The City of Atascadero has the only Central Coast Indoor Skate/Scooter Park Facility, located at 5493 Traffic Way. The park is staffed and open to the public. The inside 8,000 sq.ft. wood construction consists of a 4 ft. bowl with a spine, multi-tiered staging over the stairs and banks, double mini ramp with spine and a pyramid area. The kids can hang out in the lounge area and there are concessions for sale. The outdoor park consists of Skatewave modular equipment: quarter pipes, a pyramid, grind boxes and ledges, banks and benches. All participants must have a signed waiver form prior to park entry and certified helmets with straps are required. Recommended to bring your own helmet or you can rent a helmet for \$2, a skateboard for \$3 or a scooter for \$5. No folding scooters.

A-Town Park is available for supervised private parties Fridays, 6:00-8:00pm, Saturdays, 10am-12pm or 6:00-8:00pm & Sundays, 10am-12pm, for \$150.

“Faces of Freedom” VETERANS MEMORIAL

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501-C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly \$1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.”

The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway’s purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a \$150 donation to the Memorial Foundation.

Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org For more information call (805) 470-3360.

Minecraft Modding Quest: Units 1, 2

AGES: 8-11

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your child enjoy Minecraft? Minecraft: Education Edition is built on top of the regular Minecraft game and includes additional features to teach kids coding and other STEM skills. In these carefully designed Minecraft modding classes, we cover a broad set of coding concepts. We start by introducing kids to the very basic concept of stacking commands together to make computers accomplish tasks- the fundamentals of coding. Kids will control agents to solve puzzles while interacting with different in-game characters. We will then move on to learn core coding concepts such as loop, operations, conditional, events, functions, variables, and more. As students become increasingly proficient in these skills, they will progress to constructing more intricate structures and even coding mini games. Our enjoyable online modding courses employ an inquiry-based approach, providing your children with ample opportunities not only to learn but also to create- an enriching idea experience!!

Technical Requirements: You need a Windows or Mac Computer to take this class. Chromebook is very slow for running Minecraft. iPad is not supported.

Create with ChatGPT

AGES: 9-13

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Your children's learning today and their future have changed drastically with the recent launch of ChatGPT. The impact and capabilities of such AI systems will only grow overtime. Whoever can master AI tools will be in a more advantageous position to succeed. So, what is ChatGPT? To put it in the simplest form, ChatGPT is an AI product created by OpenAI that you can converse with and ask an incredibly wide range of questions from how to cook pasta, to travel recommendations, to coding, to solving calculus problems, and a whole lot more. It is so intelligent that it can pass Google Interviews, AP tests, and Bar exams just to name a few examples. With the right guidance, ChatGPT can be one of the best learning resources for students. It can also help them develop critical thinking, executive functions, and creativity. In this fun and informative course, students will start to learn how to use ChatGPT more effectively, understand its strengths and weaknesses, and develop important skills to master this very valuable tool.

Technical Requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser, and high internet connectivity.

Prerequisites: It would be ideal if students have some basic knowledge of coding.

Youth Sports

Baby Ballers (Ages: 2 - 3.5 yrs)

Introduce your child to the best sport in the Planet. With your participation and encouragement, the baby baller will learn the fundamental steps necessary to understand the sport of Basketball. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized basketball hoops, providing an unforgettable experience like no other.

Junior Basketball (3.5-4 yrs)

With your participation and encouragement, the junior basketball class will teach the fundamentals steps necessary to understand the sport of basketball. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized basketball hoops and providing an unforgettable experience like no other. With parent participating by their side, kids will have fun learning the basic basketball skills like defending, dribbling, scoring, and listening.

Level 1 (Ages: 4 - 5 yrs)

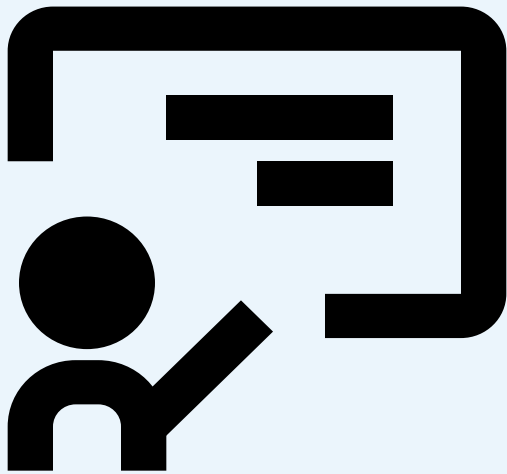

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamental concepts of basketball. The program focuses on technique through the use of activities that subsequently help build on each other, helping the children to gradually increase their ability to do the basic skill to help them play the sport of basketball

Level 2 (Ages: 5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Adjustable hoops and appropriately sized basketballs are used to always provide just the right amount of challenge. The children will explore the sport of Basketball with a variety of activities and games the program has in play.

Level 3 (8 - 11 yrs)

The level 3 course aims to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on agility; drills become a bit more advanced and teach children how to perform under pressure of the clock and their opponents. Drills are focused on more complex activities that include fast breaks, coordinated offensive plays, and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting.

Level 1 (Ages: 4.5 - 5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamentals of soccer. The program focuses on technique using activities that subsequently help build onto each other, helping children to gradually increase their ability to learn basic soccer skills by also helping to establish a fun, nurturing atmosphere for the players.

Level 2 (Ages: 5.5 - 7 yrs)

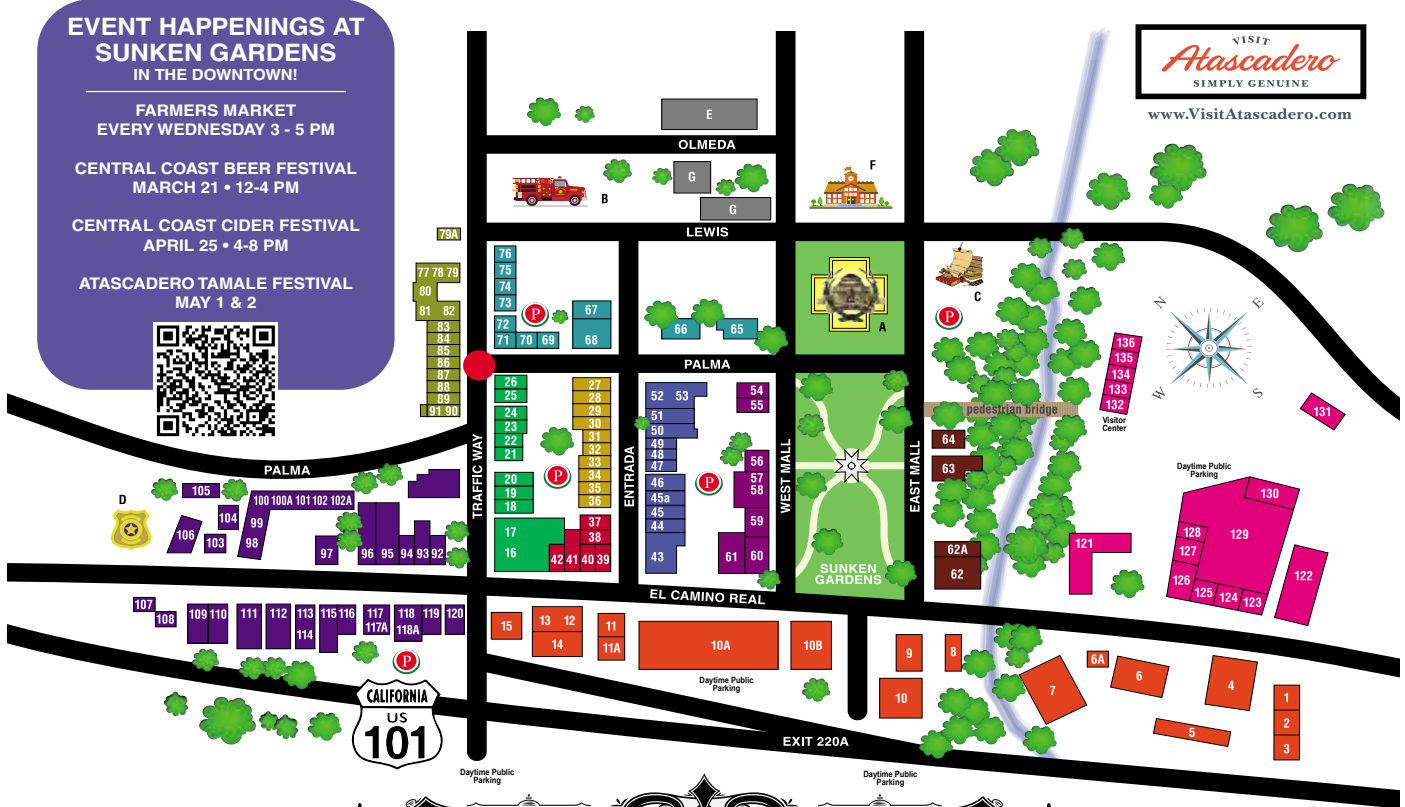

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (8 - 11 yrs)

The Level 3 course aims to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on fitness, agility, drills become a bit more advanced and teach children how to perform under pressure. Drills are focused on more complex activities that include fast breaks and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting on goal.

Registration Information

Fees

- Of the two fees quoted for each activity (i.e., \$31 res, \$34 non-res), the first is the rate for residents within the city limits of Atascadero (93422 & 93423), and the second is the rate for non-residents.
- For classes requiring material fees, payment is due to the instructor at the first class of each session.

Refund Policy

- Activity registration fees will be refunded in full if the class or activity is cancelled due to the lack of minimum enrollment requirement.
- A refund will be granted if our office is notified more than four days prior to class starting date. A \$10.00 administrative fee will be charged.
- To cancel a reservation or change the date of a facility rental, a minimum of a twenty-four hour working day notice, in writing, must be given. Facility rentals, which require a reservation deposit, may be transferred to another date but are not refundable.
- Activity registration fees are non-refundable after the class or activity has started.
- Park BBQ reservation fees will be refunded or transferred to another date only in the event of inclement weather, for a \$15 fee.
- Security deposits are not affected by this policy and will be refunded in full if the facility is returned to satisfactory condition.

Registration Policies

- No registrations will be taken at class! The City of Atascadero must handle all registrations by mail, online or in person prior to the beginning of class.
- All participants must sign a participant waiver of liability.
