SWIM SEASON 2026 6/11-8/2/26!

Aquatics

Swim Lessons

Level 1 Description:

In level 1 swimmers will get comfortable being in and around the water. They will learn essential water safety skills such as entering/exiting the high-edge deck and floating.

Level 2 Description:

Prior to participating, swimmers entering level 2 should be comfortable with the skills learned in Level 1. In level 2, swimmers will transition from water safety skills to learning the fundamentals of the freestyle stroke.

Level 3 Description:

Level 3 is for swimmers who can comfortably complete all the skills learned in level 2. Swimmers should have a basic understanding of the freestyle stroke and should be able to swim that stroke 12.5 yards without stopping. In this level, swimmers will further develop their freestyle technique, as well as introduce the other strokes. Advanced swimmers who want to develop other strokes further are also welcome in this lesson.

Summer Camps

Drama Camps! Peter Pan, Shakespeare, & Frankenstein

AGES: 7-14 YRS

Instructor: Brendan P. Kelso

Big Drama. Big Laughs. Big Confidence.
Pirates! Fairies! Star-crossed lovers! And one very confused monster.

In this one-week drama camp, kids perform hilarious, melodramatic versions of classics like Peter Pan, A Midsummer Night's Dream, Romeo & Juliet, and Frankenstein. Students build confidence, creativity, and teamwork while rehearsing all week, ending with a live performance for family and friends. **No experience necessary- just imagination and sense of fun!**

Taught by playwright- **Brendan P. Kelso**, author of 40+ published stage adaptations with 20 years of experience running youth drama camps- whose motto is **"the best way to learn is to have fun."**

The City of Atascadero has the only Central Coast Indoor Skate/Scooter Park Facility, located at 5493 Traffic Way. The park is staffed and open to the public. The inside 8,000 sq.ft. wood construction consists of a 4 ft. bowl with a spine, multi-tiered staging over the stairs and banks, double mini ramp with spine and a pyramid area. The kids can hang out in the lounge area and there are concessions for sale. The outdoor park consists of Skatewave modular equipment: quarter pipes, a pyramid, grind boxes and ledges, banks and benches. All participants must have a signed waiver form prior to park entry and certified helmets with straps are required. Recommended to bring your own helmet or you can rent a helmet for \$2, a skateboard for \$3 or a scooter for \$5. No folding scooters.

A-Town Park is available for supervised private parties Fridays, 6:00-8:00pm, Saturdays, 10am-12pm or 6:00-8:00pm & Sundays, 10am-12pm, for \$150.

“Faces of Freedom” VETERANS MEMORIAL

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501-C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly \$1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.”

The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway’s purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a \$150 donation to the Memorial Foundation.

Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org For more information call (805) 470-3360.

Minecraft Modding Quest: Units 1, 2, 3

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your child enjoy Minecraft? Minecraft: Education Edition is built on top of the regular Minecraft game and includes additional features to teach kids coding and other STEM skills. In these carefully designed Minecraft modding classes, we cover a broad set of coding concepts. We start by introducing kids to the very basic concept of stacking commands together to make computers accomplish tasks- the fundamentals of coding. Kids will control agents to solve puzzles while interacting with different in-game characters. We will then move on to learn core coding concepts such as loop,

operations, conditional, events, functions, variables, and more. As students become increasingly proficient in these skills, they will progress to constructing more intricate structures and even coding mini games. Our enjoyable online modding courses employ an inquiry-based approach, providing your children with ample opportunities not only to learn but also to create- an enriching idea experience!

Tech requirements: You need a Windows or Mac Computer to take this class. Chromebook is very slow for running Minecraft. iPad is not supported.

Junior Robotics

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Our small group robotics courses for kids [https://www.create-learn.us/robotics-for-kids], including all of our Vex robotics classes, are designed with students in mind by Apple and Stanford experts.

The Vex robotics virtual world class teaches students how coding is used in robotics through fun, hands-on projects. Students will learn how to navigate robots through a virtual environment and gain a deeper understanding of how robots can be used to solve problems through many real-world examples.

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser, and high internet connectivity. **Prerequisites:** It would be ideal if students have some basic knowledge of coding.

Beginner Roblox Game Coding - Units 1,2,3

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your kid love Roblox? With this coding class, your child will be able to create their own games for Roblox in no time. The coding approach is similar to Scratch but is tailored specifically for developing Roblox games. It is a lot more effective for younger students compared to using Lua. Your child will learn and practice advanced coding skills, apply their imaginations, and create!

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser, and high internet connectivity..

Youth Evolution Soccer

Instructor: Isaias Rosas (805) 202-8620

Baby Kickers (Ages: 2 - 3.5 yrs)

Introduce your child to the best sport on the planet! With your participation and encouragement, the baby kickers will learn the fundamental steps necessary to understand the sport of soccer. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized soccer goals, providing an unforgettable experience like no other. Jersey included.

Level 1/Junior Soccer (3.5-5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamentals of soccer. The program focuses on technique using activities that subsequently help build onto each other, helping children to gradually increase their ability to learn basic soccer skills by also helping to establish a fun, nurturing atmosphere for the players.

Level 2 (Ages: 5.5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (8 - 11 yrs)

The Level 3 course is aimed to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on fitness, agility, drills become a bit more advanced and teach children how to perform under pressure. Drills are focused on more complex activities that include fast breaks and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting on goal.

Registration Information

Fees

- Of the two fees quoted for each activity (i.e., \$31 res, \$34 non-res), the first is the rate for residents within the city limits of Atascadero (93422 & 93423), and the second is the rate for non-residents.
- For classes requiring material fees, payment is due to the instructor at the first class of each session.

Refund Policy

- Activity registration fees will be refunded in full if the class or activity is cancelled due to the lack of minimum enrollment requirement.
- A refund will be granted if our office is notified more than four days prior to class starting date. A \$10.00 administrative fee will be charged.
- To cancel a reservation or change the date of a facility rental, a minimum of a twenty-four hour working day notice, in writing, must be given. Facility rentals, which require a reservation deposit, may be transferred to another date but are not refundable.
- Activity registration fees are non-refundable after the class or activity has started.
- Park BBQ reservation fees will be refunded or transferred to another date only in the event of inclement weather, for a \$15 fee.
- Security deposits are not affected by this policy and will be refunded in full if the facility is returned to satisfactory condition.

Registration Policies

- No registrations will be taken at class! The City of Atascadero must handle all registrations by mail, online or in person prior to the beginning of class.
- All participants must sign a participant waiver of liability.

Classes at the Colony Park Community Center

- The registration counter is open Monday thru Friday from 9:00 am-5:00 pm.
- A drop box is located at the Community Center. Please fill out a registration form with all of the necessary information, include your check made payable to the City of Atascadero and put them in the provided envelope and drop in the drop box.
