Doomsday Skate School: Adult Roller Skate Skills & Safety

This is a skate rink vibe class just for adults 18+ to practice skating or to learn. Adult classes offer rink inspired music, fun fitness, basic skating skills for those who need them, as well as fun beginner to intermediate dance skill builders.

If you do not need lessons, but just need a place to roll, you can also use this space for practice. Our adult classes are meant to encourage body appreciation, fun fitness options, community building and networking for adults.

**** Sorry, no blades with back brakes allowed indoors - brakes must be removed.**

There will be a skate check at the door to protect floors. **Please note that skates must be properly maintained to skate at this facility. All skates will be inspected at the door before each class for: exposed metal bolts on trucks, toe stop stems, bent or broken lace eyelets, blade buckle clips will be taped. NO black rubber stops, or jam plugs allowed under any circumstances. Gear will also be inspected for rocks and/or dirt. Thank you for your cooperation in helping protect our floor. Email us for skate, gear or wheel questions at doomsdayskate@gmail.com*

**Rental skate sizes w5-w15 available upon Sk8 Reservation on doomsdayskate.com*

Doomsday Skate School: Adult Roller Fitness & Flow

AGES: 18 & UP

Roller Fit & Flow skaters roll to a low impact cardio, roller dance and strength training routine in a no pressure setting. Using styles and moves from speed skating, rhythm, street dancing, artistic roller dancing with upbeat music and high energy vibes. All levels are welcome to attend, but there will not be a formal skills lesson during this class. We will work with everyone to ensure fun at all levels. It is suggested that you take our Basic Skills and Safety class first before joining this class.

The animals will be receiving holiday gifts that have been crafted with care by the zookeepers and some very special elves. Our sponsors have also made it possible to buy exclusively made toys and enrichment items for the animals. So, watch the animals rip, claw and tear open their presents. Some of them may even eat their gifts! Spend the day with us and do some holiday shopping in the Gift Shop, make a craft to take home and check in to see if Santa was able to stop in for an early visit!

Certifications, Training & Special Interests

Dog Obedience

AGES: 18 & UP

Instructor: Karen Clanin (805) 466-3775 or kclanin@sbcglobal.net

Karen Clanin has been instructing classes at all levels since 1969 and started instructing for the City of Atascadero in 1979. The Beginning Dog Obedience class will cover sit-stand-down, walking on a leash without pulling, come when called, sit & down stay. Karen’s methods are mostly positive reinforcement, making the learning fun for the owner as well as the dog.

For the 1st class, bring your dog on the collar you have and the leash you have (no harnesses please). Proper equipment will be discussed in the first class. Also, bring a smelly, tasty, easy to swallow training treat. Karen suggests keeping the treats in a fanny pack, so they are easy to get to.

A copy of your dog’s immunization record, available from your vet, must be brought to the first class for Karen to keep. Class is scheduled for 1 hour but may run over slightly so please allow the time. This class is not for aggressive dogs, if you have a question about this contact Karen and she may meet you privately for evaluation. Please no wolf or wolf-hybrids in class.

This class is temporarily postponed, please call our Rec Team at 805-470-3360 updates on scheduling.

Traveling Zoofari

Our education specialists bring the zoo to a school, club, senior center, library, or other public venue. Zoo ambassador animals and interesting artifacts bring learning to life. Each program is tailored to the age of the audience and programs can be custom designed to fit the curriculum. Email zooeducation@atascadero.org for schedule availability and pricing.

Have a Wild Party at the Zoo

Celebrate your special day at the zoo! There are several package options to choose from to help make your day memorable. All packages include rental of the Zoo Garden Event Center for two hours, tables, chairs, and eco-friendly cups, plates, and utensils. Email zooeducation@atascadero.org for schedule availability and pricing.

Zoo Presentations

Bring your group to the zoo for a special presentation to learn about and meet some incredible ambassador animals. Email zooeducation@atascadero.org for schedule availability and pricing.

Ballroom Dance for Fun! AGES: 9 & UP

Instructors: Dan & Sharon Davis, (805)-461-0599

Join the fun of ballroom dancing! Improve your self-confidence, memory, balance and many other physical benefits, and enjoy the fun dancing can provide. Begin the New Year with a swing in your step. We will cover the basics and spins & turns in Swing & Foxtrot in Session I. For Session II we will introduce Waltz while continuing with more Swing & Foxtrot. In Session III, we'll move to a Latin beat with Tango & Salsa. Session IV, we will continue the Latin rhythm with instruction in Rumba and Cha-Cha. Session V gets you ready for summer events: weddings, parties, cruises, and concerts in the park with more Swing, Waltz, Latin dances and the introduction to Club Foxtrot. All sessions include beginning, intermediate, & advanced instruction to accommodate the varying abilities of the class. Students may enroll in all five or choose sessions separately. For more information, please call the instructors. Partner required. \$67 per couple.

“Faces of Freedom” VETERANS MEMORIAL

Located near the Atascadero Lake Park, the construction of the beautiful “Faces of Freedom” Veterans Memorial was initiated by the Atascadero Veterans Memorial Foundation. A 501-C3 Non Profit Organization, the AVMF was founded specifically to design and to build a World Class Veterans Memorial here on the California Central Coast with a completed value of nearly \$1,000,000. Built to honor all of America’s Veterans, the Memorial has three unique components: Hero’s Wall, the “Faces of Freedom” Statue, and “The Pathway to Freedom.”

The Hero’s Wall specifically honors over 231 San Luis Obispo County Veterans who have paid the ultimate price with their selfless service and sacrifice to our nation. The “Faces of Freedom” Statue represents an artistic time line that honors our nations’ military heroes from WWI to the present. The final component is “The Pathway to Freedom” a 20,000+ engraved brick pathway that leads to and embraces the Veterans Memorial. The Pathway’s purpose is to provide a place to honor both Veterans and Active Military in two ways: First of all, bricks may be engraved with the name of someone who currently serves or has served this great Nation; Second, it gives those who have not served an opportunity to show their support for our Veterans through a family or business brick. These engraved brick pavers are still available and can be reserved and installed for a \$150 donation to the Memorial Foundation.

Anyone interested in reserving an engraved paver is invited to use the order form below or to go to our website at: www.FacesofFreedomMemorial.org For more information call (805) 461-3360.

Minecraft Modding Quest: Units 1, 2 & 3

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Does your child enjoy Minecraft? Minecraft: Education Edition is built on top of the regular Minecraft game and includes additional features to teach kids coding and other STEM skills. In these carefully designed Minecraft modding classes, we cover a broad set of coding concepts. We start by introducing kids to the very basic concept of stacking commands together to make computer accomplish tasks- the fundamentals of coding. Kids will control agents to solve puzzles while interacting with different in-game characters. We will then move on to learn core coding concepts such as loop,

operations, conditional, events, functions, variables, and more. As students become increasingly proficient in these skills, they will progress to constructing more intricate structures and even coding mini games. Our enjoyable online modding courses employ an inquiry-based approach, providing your children with ample opportunities not only to learn but also to create- an idea enriching experience!!

Tech requirements: You need a Windows or Mac Computer to take this class. Chromebook is very slow for running Minecraft. iPad is not supported.

Scratch Ninja: Units 1 & 2

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

In this fun and creative class, we introduce students to the wonderful world of coding using Scratch, a platform developed by MIT. Students will use colorful drag-and-drop blocks that are intuitive and easy to use to create stories, games, and animations. We cover essential coding concepts such as conditional, loop, variables, and much more, while also exploring the intriguing features Scratch offers such as motion, sensing, and clones. At Create and Learn, we believe that an essential goal for your child to learn coding is also to develop computational thinking, creativity, and critical thinking. With our project-and inquiry-based learning approach, our online classrooms are very interactive, as teachers lead kids through an enlightening process of creating, logic, and problem solving. Given our small class size, every child will enjoy a lot of personalized attention from their teacher. Regardless of what your child is excited about, they will surely find a way to express their interests and build their creativity with Scratch!

Tech requirements: Students must have a laptop or desktop device with Zoom, a Chrome browser, and high internet connectivity..

Scratch Junior

AGES: 5-7

Instructor: Create & Learn (650) 898-7669 support@createandlearn.us

Your child might have started playing with your phone at 3 years old and have become an expert of YouTube and mobile apps at age 5. So why not get started understanding how computers work with coding? As Apple CEO Tim Cook said, "Coding is the most important second language for everyone to learn." This series of fun Scratch Junior lessons uses the Scratch Junior platform, developed by the same MIT team that created Scratch. While building interactive stories and games, your child will be introduced to the basics of coding concepts, solve problems, and most importantly, they will create and apply their imaginations!

Prerequisites: Ideally, use an iPad or Android Tablet to attend the class. You also need a computer. Please join Zoom from your computer. If you want to use a computer, please make sure your child is comfortable with typing on a keyboard and using a mouse on a computer. Chromebook does not support Scratch Junior.

Baby Kickers (Ages: 2 - 3.5 yrs)

Introduce your child to the best sport on the planet! With your participation and encouragement, the baby kickers will learn the fundamental steps necessary to understand the sport of soccer. Instructor guidance and movement skills are developed using engaging games and activities with appropriately sized soccer goals, providing an unforgettable experience like no other. Jersey included.

Level 1 (Ages: 4 - 5 yrs)

Learn fundamental movement skills and build overall motor skills. This course is designed for children to learn the fundamentals of soccer. The program focuses on technique using activities that subsequently help build onto each other, helping children to gradually increase their ability to learn basic soccer skills by also helping to establish a fun, nurturing atmosphere for the players.

Level 2 (Ages: 5 - 7 yrs)

This course will focus on dribbling, passing, shot technique and teamwork. Children will be introduced to fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Following our motto, Play, Learn and Grow, children will now be introduced to a variety of skills that will improve their overall motor skills to play the sport of soccer.

Level 3 (8 - 11 yrs)

The Level 3 course is aimed to improve large motor skills, spatial awareness, and teamwork. The instructor will focus on fitness, agility, drills become a bit more advanced and teach children how to perform under pressure. Drills are focused on more complex activities that include fast breaks and multiple defensive structures. Your child will now learn explosive plays, improve their footwork, and develop their range and accuracy of shooting on goal.

Registration Information

Fees

- Of the two fees quoted for each activity (i.e., \$31 res, \$34 non-res), the first is the rate for residents within the city limits of Atascadero (93422 & 93423), and the second is the rate for non-residents.
- For classes requiring material fees, payment is due to the instructor at the first class of each session.

Refund Policy

- Activity registration fees will be refunded in full if the class or activity is cancelled due to the lack of minimum enrollment requirement.
- A refund will be granted if our office is notified more than four days prior to class starting date. A \$10.00 administrative fee will be charged.
- To cancel a reservation or change the date of a facility rental, a minimum of a twenty-four hour working day notice, in writing, must be given. Facility rentals, which require a reservation deposit, may be transferred to another date but are not refundable.
- Activity registration fees are non-refundable after the class or activity has started.
- Park BBQ reservation fees will be refunded or transferred to another date only in the event of inclement weather, for a \$15 fee.
- Security deposits are not affected by this policy and will be refunded in full if the facility is returned to satisfactory condition.

Registration Policies

- No registrations will be taken at class! The City of Atascadero must handle all registrations by mail, online or in person prior to the beginning of class.
- All participants must sign a participant waiver of liability.

Classes at the Colony Park Community Center

- The registration counter is open Monday thru Friday from 9:00 am-5:00 pm.
- A drop box is located at the Community Center. Please fill out a registration form with all of the necessary information, include your check made payable to the City of Atascadero and put them in the provided envelope and drop in the drop box.

ATASCADERO

POLICE FOUNDATION

The Atascadero Police Foundation is an independent 501(C)(3) non-profit organization. Our mission is to foster positive relationships between law enforcement and our community, providing support, resources, and opportunities for collaboration, education, and mutual trust. Our goal is to promote public safety, empower the next generation and build a stronger, more inclusive community.

THIS WINTER, JOIN US IN MAKING A LASTING IMPACT

STAY CONNECTED

Join us for events and initiatives that bring Atascadero residents and first responders together including our bi-monthly Birthday Program in partnership with ECHO.

DISCOVER MORE

We have three \$2,000 scholarships that we will be awarding to three students in 2025. We will begin accepting applications for the Luca Benedetti Scholarship, as well as the Community of Purpose Scholarship on January 1, 2025. Visit our website for the criteria and to apply.

MAKE A DIFFERENCE

Help us support youth development programs, public safety advancement, and crime prevention programs. Your donations help build a stronger, safer Atascadero.
